7D Deeper into Machine Learning : Introduction to Neural Networks
Trainer :   Dan Chalk

From	To	Format	Name of Activity	Link (if applicable)
0930	1000	Live Lecture	What is a Neural Network?	
1000	1135	Pre-recorded Lecture	An introduction to neural nets using TensorFlow, Keras and the Titanic Survival Data	https://www.youtube.com/watch?v=IAzuLSa-sb0&list=PLgHO2TgIJXdnoYRsxukJET7FwoOO4Qqag&index=34
1135	1145	Comfort Break (recommended to take this somewhere during pre-recorded lecture)		
1145	1230	Group Exercise	Build a Neural Network for Stroke Thrombolysis Prediction
